

V2 CONSULTING LIMITED

APPLICATION FOR RENEWAL/RECERTIFICATION OF ICP LEVEL 3 CERTIFICATES (NDT)

Complete & correct applications must be submitted to ICP at least 56 days prior to the expiry date.

The revalidated certificate will be issued from the previous expiry date and will expire 5 years less a day from the original expiry date, unless the deferral rule applies (see deferral approval process GE01C).

1. If the GE11 application has been submitted following the correct process but the application is not complete by the expiry date of the certificate, then the candidate must apply for a late application using form GE01C and shall incur the financial penalty.
2. GE11 applications submitted to V2CL 12 months **after** certificate expiry will be rejected and the candidate shall;
 - i. Apply to V2CL for a recertification approval;
 - ii. Apply to an AEC for a recertification exam and the candidate will lose time on the certificate (as per the current GE01C rule)
3. Certificates will have issue number of 01 and 02. Applications for renewal/recertification by GE11 exceeding the 10 month period will not be admitted and the candidate shall successfully pass an initial examination (general, specific, and practical) for level 1 and level 2 and a main method examination for level 3.

ANNEX B1 - STRUCTURED CREDIT SYSTEM FOR LEVEL 3 RECERTIFICATION

In this system the level 3 certificate holder gains credit for participation, during the five years prior to recertification, in the various NDT activities shown in the table below. Limits are placed on the maximum number of points which can be gained in five years, and in any activity over the five years, thus ensuring an even spread of activities. To be eligible for recertification through the structured credit system:

A minimum of 70 points shall be accrued during the five year validity of the certificate

A maximum of 25 points per year shall be accepted.

In addition to the recertification application, the candidate shall submit evidence of activities as follows:

- Agenda and list of attendees of meetings under items 1 to 4
- A brief description of R&D under items 5
- References of publications authored under item 5
- A summary of the training delivered under item 6
- For each certificate, evidence of work activity under item 7, using the form at Annex C.

APPLICATION FOR RENEWAL/RECERTIFICATION OF ICP LEVEL 3 CERTIFICATES (NDT)

GE11 APPENDIX A GUIDANCE NOTES FOR COMPLETION OF GE11

1. For certificates which have expired or are due to expire and fall within the 6 weeks prior to expiry please refer to document GE01C.

2. General

NOTE 1: Any reference to recertification in this section relates to the credit system for level 3 ICP holders unless otherwise stated.

- i. It is the responsibility of the certificate holder to initiate the procedure required for renewal or recertification.
- ii. The recertification application shall be submitted to ICP no sooner than 6 months and no later than 6 weeks before the expiry date of the certificate concerned.
- iii. Applications for renewal and recertification shall only be completed by the ICP holder
- iv. Renewed/recertified certificates will be issued from the previous expiry and expire 5 years minus a day from the original expiry date.
- v. The individual shall provide appropriate documented evidence, acceptable to the certification body, of their continued practical competence in the method or pass a Level 2 practical examination, as specified, except for the drafting of NDT instructions. (ONLY ISSUE 2).
- vi. In the event of failure to renew/recertify by paper application or if the candidate does not meet the requirements of GE11 i.e. application is not successful, or submitted beyond the deadline, then the ICP holder shall sit the recertification exam.
 - In this situation V2CL will immediately cancel the certificate concerned, issuing a new record of certification that no longer shows the competence concerned, and sending this with an explanatory letter to the certificate holder requesting the return of the superseded record of certification which is a mandatory requirement.
 - The candidate shall be allowed 1 attempt at the recertification examination within 12 months of the initial GE11 application date.
- vii. Appeals may be made against failure to recertify an ICP certificate. All appeals must be made in writing using the form F27.

There will be an administrative charge for rejected applications.

3. Procedure for renewal of level 3 certification issue 01

- i. The applicant's employer shall verify that the certificate holder has applied the NDT method for which renewal is sought – satisfactorily and without *significant interruption during the period of validity of the certificate.
- ii. Applications shall be submitted to V2CL on the latest version of the application form.
- iii. One application is to be submitted for each sector/method of certificate for which renewal is sought. The ICP holder shall complete Annex A Parts A, B and C, and the certificate holder's employer shall complete Part D.
- iv. The completed application form shall be submitted with the below;
 - Documentary evidence of a satisfactory test of visual acuity (refer to document GE02 requirements for vision acuity),
 - Annex C - Level 3 Task Record Sheet,
 - The current published recertification fee for each certificate to be revalidated.

V2 CONSULTING LIMITED

APPLICATION FOR RENEWAL/RECERTIFICATION OF ICP LEVEL 3 CERTIFICATES (NDT)

4. Procedure for renewal of level 3 certification issue 02

- i. Five years after renewal, ICP Level 3 issue 02 certification may be revalidated by the V2CL for a new period of 5 years less a day on the basis of the following requirements.
- ii. All Certificate holders when recertifying level 3 certificates (by examination or structured credit system) shall provide appropriate documented evidence, acceptable to the certification body, of their continued practical competence in the method at L2 using Annex D. If candidates cannot successfully complete Annex D they will need to successfully complete the L2 practical exam. Holders of valid, recognised L2 certificates will be exempt this need.
- iii. The level 3 certificated individual shall meet the criteria for renewal (see section 3 above) and either:
 - Successfully complete a written examination comprising 20 multi-choice closed book questions on the application of the test method in the industrial or product sector(s) concerned, and a further 10 multi-choice questions on ICP General Requirements (open book).
 - OR
 - Meet the requirements of the structured credit system detailed in Annex B1 & B2.
- iv. If recertification (by examination or structured credit system) is applied for more than 10 months after expiry, the main method examination including the Level 2 practical shall be required.

5. Structured credit system

- i. In this system the holder of level 3 certification gains credit for participation, in the five years prior to recertification, in the various NDT activities shown in Annex B1.
- ii. Limits are placed upon the maximum number of points which can be claimed in any one year and, in some cases, the minimum points accrued in any year are also stated in order to ensure an even spread of qualifying activities over the five year period.
- iii. The completed application form Annex A is to be sent along with;
 - Documentary evidence of a satisfactory test of visual acuity (refer to document GE02 requirements for vision acuity),
 - A completed form V2_CF30
 - Annex B2 – showing at least the minimum required points,
 - Annex C – Level 3 Task Record Sheet,
 - Annex D – Level 2 practical competence,

The current published recertification fee for each certificate to be revalidated.
